Hey Sam – reviewing a slew of resolutions for USCMs – SPB will be putting together a tracking list for us. Wanted to call your attention to one that covers HUD's new proposed rule (that the City provided comment on already) that would prohibit undocumented immigrants from residing in subsidized housing. In Santa Clara County that would affect 123 households. We can go through the total list next week, but if you want to cosponsor the HUD one, or others, let me know.

Here are several housing resolutions. Not sure which Mayor is leading.

I'm going to have our intern put together a tracking list of resolutions (just title and city) so we can keep track.
